

**VASCHE PER
MACCHINE GELATO**

BOWLS FOR ICE CREAM MACHINES

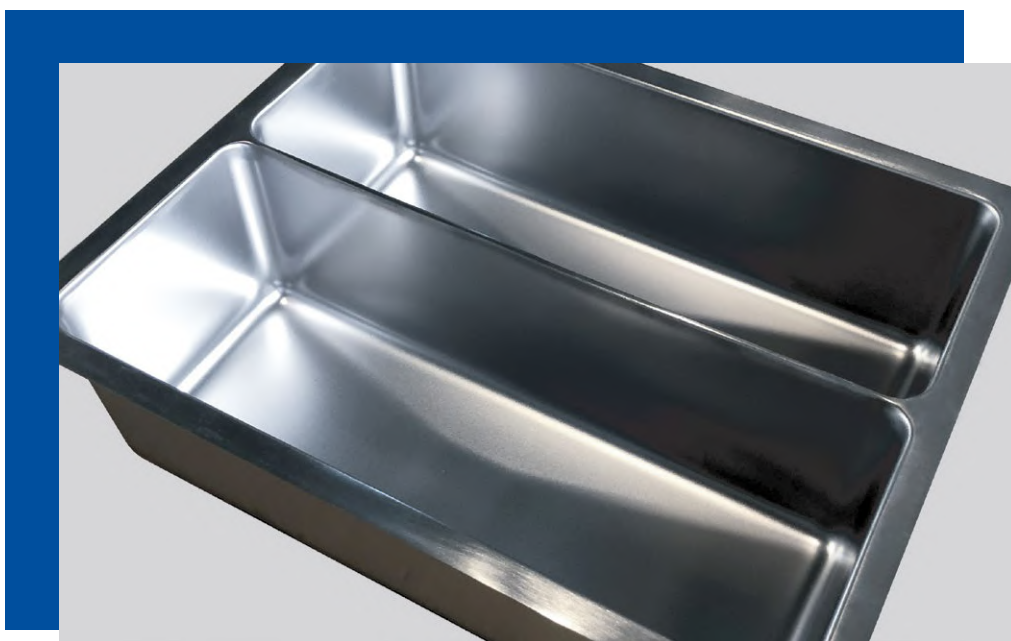

Grazie alla lunga esperienza nel profondo stampaggio e alla continua ricerca di nuove soluzioni per costruire oggetti sempre all'avanguardia, Davighi dispone di un'ampia gamma di vasche per gelato singole o doppie, mantecatori, pastorizzatori, vasche per macchine gelato soft e frozen yogurt di diverse misure e capacità che soddisfano tutte le esigenze.

I nostri prodotti sono in acciaio inox AISI 304, in spessori che variano da 1 a 4 mm. La finitura standard è il satinato scotch brite ma a commessa possono essere realizzati secondo le esigenze del cliente.

Thanks to the long experience in deep drawing and to the constant research of new solutions to create state-of-the-art products, Davighi offer a wide range of single or double ice cream bowls, batch freezers, pasteurizers, bowls for soft ice cream and frozen yogurt machines of different dimensions and capacities in order to meet all possible needs.

Our products are manufactured in AISI304 stainless steel, in thicknesses varying from 1 to 4 mm. The standard finishing is the satin scotch brite but we can also create personalized products according to the customer's drawings.
